

RAWSRVNT BIO

Rawsvnt (pronounced “raw servant”) has been turning heads in the Christian industry for several years. He is openly recognized as the key pioneer of the Hip-Hop Worship movement that has broken through religious and musical barriers worldwide.

“I want my music to bridge the gap between contemporary fans and hip-hop enthusiasts by creating a worship experience that will be remembered for generations to come,” said Rawsvnt. “I want to also impact the music industry with sound evidence that we can effectively worship through hip-hop without losing the core essential of what, for so long, has been forsaken.”

Born Eduardo Puyol, Rawsvnt has seen his music influence others beyond his hometown of Miami, Florida, traveling extensively across the United States and treading international waters to Europe and Africa. He has also shared stages with the likes of Wyclef Jean, TobyMac, Third Day, Newsboys, Reliant K, Superchic[k], KJ-52, and many more.

His unique signature sound and charismatic lyrical agility is phenomenal and has won him favor with fans both young and old. “I have a passion for seeing people fall in love with Jesus,” said Rawsvnt. “My goal is to ignite a flame of fire that will continuously burn in people’s hearts and eventually impact their lifestyle.”

“Simply put, I’m devoted to serve JESUS just the way I am...RAW!”
